What is BNI Member Success Program? In the Member Success Program, you will learn how to use your membership in BNI to give and receive referrals as quickly as possible. It is required for new BNI members within 60 days of joining BNI. It is also for seasoned BNI members that may need a boost to increase their productivity in passing and receiving referrals. Attendance in the Member Success Program is enforced by Membership Committees ó if you have a question about the requirements for attending, talk to your Membership Committee or Leadership Team.
=====

Directions to your Training Location: You can get directions to your training location on-line at www.bni-mi.com.
=====

IMPORTANT! Your registration must be in at least two days before the session you plan to attend. The reason that we ask members to register at least two days before the session they are to attend is so that we can make sure there is enough space and supplies available. If you register later than that, you will be asked to register for a later date.
